Comments: Lovely thick, deep-bodied heifer by P565, out of a heifer by M429 so should have great figures when they come through! Mother is also the dam of lot 74. Tremendous barrel and hindquarter with a top backend and the 8th best 400-day weight. Strong growth in the top 25%, excellent fertility traits with DtC in the top 10%, and good IMF to boot. Mated to the P700 sons which should double up those good figures.

Comments: Another very good, deep, moderate framed cow. Terrific top-line, width across the top, and deep body. Thick and square with easy doing fats in the top 1%. Tremendous fertility as well with days to calving at -7.2 days, ranking her right at the very top of the breed. Her IMF figure of +3.3 ranks the top 10% as well. All this data combined with her efficient moderate frame size generates an SRI index in the top 10%. She is breeding well with a very good 2-year daughter sold to Westfield Angus in our 2022 female sale. Exciting mate to Taimate Roy.

Comments: The only daughter of Glanworth 0816 in this sale. A lovely easy doing, moderate framed cow. Plenty of thickness, good square type. Low birthweight, strong calving ease and short gestation with moderate cow weight. Bred a good son who should feature in the bull sale this year. Mated to Kincardine Rainstorme.

Comments: Lovely stylish cow with a great top-line. Great coat, balance and style about her with terrific length. Good calving ease, short gestation, and low birthweight. Days to calving figure in the top 1% of the breed reflecting the fertility coming from old Goldwyn. IMF and Self-Replacing Index in the top 10% of the breed. Bred L202 sold to David Baker and a good bull to Mt View. A top cow mated to Q250.
