### Abbreviations:

(rankings out of 160)

MW+M+W Maternal worth plus meat plus wool - overall index

NLBbv Number of lambs born BV (fertility)

SURbv Survival BV

WWTbv Weaning weight BV

LW8bv Autumn weight BV

FW12bv Wool weight

EMAbv Eye muscle scan

DPF Faecal egg count index

DPX Facial eczema index (note - derived from pedigree - these rams not tested)

### Coloured wires in rams' ears

(1x = top 30%, 2x = top 10%)

Red

White (or 200% dam performance)

Blue

Blue

Yellow

Black

Green
